

25 Spectacular Skillet Pizzas

Another reason to love your cast-iron skillet.

Mary Shannon Wells

Cast-iron skillets are on every cook's list of favorite things. They're durable, flavorful, and versatile. Yes, you can basically cook anything in a cast-iron skillet. One dish that cooks extremely well in a cast-iron skillet is pizza. You heard that right: pizza! After trying these cast-iron skillet pizzas, you'll wonder why you ever cooked pizza on anything else. With a cast-iron skillet, pizzas come out soft but with a crunchy crust, which translates to *just right*. These 25 skillet pizzas aren't just for cheesy, meaty pizza lovers (though we have options for you, too). There are vegetarian, low-carb, no-carb, and even vegan recipes on this list. Not to mention, deep-dish, thin-crust, veggie-topped, and studded with bacon bits. The round-up will cover all your bases, including different skill levels. You'll be grabbing your cast-iron skillet as fast as you can to get to cooking these pizzas.
